

PUBLIC NOTICE

TIN, Inc., d.b.a. Temple-Inland has applied to the Tennessee Division of Air Pollution Control (TDAPC) for [approval to revise the particulate matter emission limits for the refuse boiler](#). The proposed project will result in an increase in potential emissions of criteria pollutants. No significant increment consumption would be expected. The project is subject to review under the state rule for Prevention of Significant Deterioration of Air Quality (PSD), Paragraph 1200-3-9-.01(4) of the Tennessee Air Pollution Control Regulations, Department of Environment and Conservation, which requires a public notification and thirty (30) day public comment period. This project will also be incorporated in the major source (Part 70, or Title V) operating permit, subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations), as an administrative permit amendment, as provided for in item 1200-3-9-.02(11)(f)4(i)(V) of the Tennessee Air Pollution Control Regulations. A major source operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations. However, it should be noted that this facility has an existing Title V permit (548424), and the proposed project is a revision of a project previously reviewed and approved under the state rule for PSD. A public hearing will be held to discuss this project with respect to the PSD review, and the associated construction permit.

EPA has agreed to perform its 45-day review provided by the law concurrently with the public notice period.

The applicant is **TIN, Inc., d.b.a. Temple-Inland** with a site address of 2877 Scepter Road, Waverly, TN 37185. They seek to obtain a construction permit (for existing emission source 43-0010-07/61563) as a pulp and paper mill producing corrugated paper.

The TDAPC has reviewed the installation with respect to the above-mentioned PSD regulations. The TDAPC has made the determination that this modification can be approved if certain conditions are met. A copy of the application materials used by the TDAPC, a copy of the preliminary PSD review, and a copy of the draft construction permit are available for public inspection during normal business hours at the following locations:
